General Comment

America is the land of the free, where we are allowed choices. It is important that it stays that way and that as citizens, we are allowed to save for retirement in manner that we feel is appropriate. We are a smart people! We are able to make decisions for ourselves and enjoy the benefits and pay the consequences as needed. It is important that have the option to save without taxes at this point. It is important that we have an opportunity to invest as we see fit.
